About Me

I'm a Front-end Developer with 6 months of experience. I specialize in creating user-friendly and responsive websites using HTML, CSS and JavaScript. I'm passionate about creating clean and efficient code that delivers a great user experience. I'm always looking for new challenges and opportunities to grow my skills as a developer.

Professional Experience

GirlScript Summer of Code | Open-Source Contributor 2023-05 - 2023-08

I am currently an active participant in GSSOC'23, the GitHub Student Open Source Competition. As a contributor, I am actively involved in the various projects, collaborating with the team to enhance its features and functionality. My role includes developing new components, improving code quality, and fixing bugs. Through my contributions, I have been able to apply my skills in HTML, CSS, and JavaScript to create responsive and user-friendly interfaces.
